

BUILDING COMMITTEE members had their hands to the plow for months before the actual groundbreaking but even so the project is far ahead of schedule. Three of the committee, Albert Janner, Donald Ambuehl and Melvin Moutrey were out of town and unable to take part in the ceremonies last Sunday. Those present (l to r) were Walter W. Welsch, Raymond Bernard, Robert Niemann, the Rev. Dr. A. J. Bueltmann, and Robert O. Geuther.

GROUNDBREAKING for Mokena's new Immanuel Lutheran church was carried out in novel fashion last Sunday. Instead of the traditional spade handled by committee and organizational heads, a walking, sodbuster plow was used with members of the congregation providing the pulling power - and they actually did. To Sponsor Annual Halloween Parade

The Amvets Women's Auxiliary will again sponsor the annual Halloween parade in Mokena.

The affair is scheduled for 6:30 o'clock Oct. 31. The parade is to form at Carpenter Street school in time to move off at 6:30 and will proceed to the Fire Station of Front st.

The judging and award of prizes is to take place at the fire house.

Youngsters must be costumed and masked to be eligible for the prizes, it was announced by those in charge.

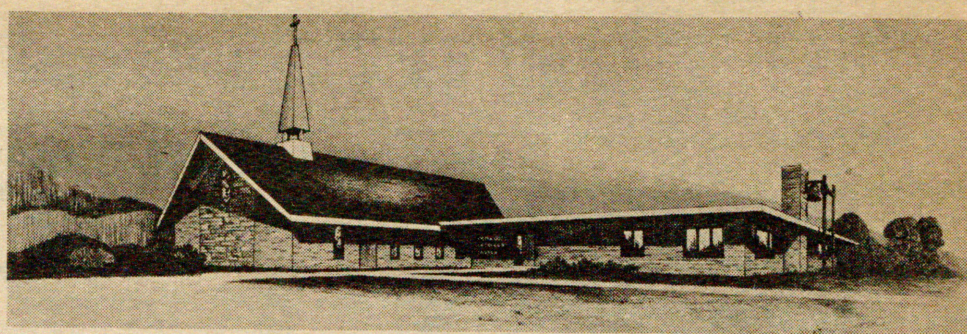

The prizes, incidentally, will be silver dollars. The total amount of prize money is \$25 and it will be divided as follows:

There will be a first prize of \$2 and a second prize of \$1 given winners in each of

these categories --

Pre-school children; first grade, second grade, third grade, fourth grade, fifth grade and sixth grade pupils. For pupils in the seventh and eighth grade there will be a prize of \$2 and two \$1 prizes, it was announced.

There are no entry blanks to fill out. All a youngster has to do to enter the competition is to appear in the parade in costume and mask,

Lutherans Break Ground For Church--With Plow

An unusual ground-breaking ceremony occurred last Sunday forenoon on the site of the new church to be built by Immanuel Ev. Lutheran congregation of Mokena, Illinois. With the Rev. Dr. A. J. Bueltmann at the handles, 200 members pulled a sodbuster walking plow thru the ground where the church will stand. The site for the new church is the congregation's property at La Porte and Schoolhouse Roads southeast of Mokena.

A fund-raising drive which resulted in three-year pledges totalling \$60,000 paved the way for the start of the building program. The new church plant will cost \$140,000. Actual construction is expected to begin within two weeks.

Remember To Turn Clocks Back Sunday

It's here again. The end of daylight saving time.

Don't forget to turn your clocks back an hour this Sunday, Oct. 25. Better yet turn them back when you retire Saturday night.

Theoretically you will now win back the hour of sleep you lost when you turned the clocks ahead last April.

sociates, architects, have created a simple, functional and attractive building to provide for the needs of the church.

The proposed building has three units, sanctuary, educational unit, and fellowship hall. The sloping terrain will be incorporated into the design permitting the church to open on two levels. The entrance to the sanctuary will be on the main level, the fellowship hall on the lower level. The educational wing built on two levels will include six classrooms, the administrative office and the pastor's study on the main level. The lower level contains the fellowship hall, the kitchen, two classrooms, washrooms, and the boiler room. Folding partitions in the fellowship hall will provide four more classrooms.

Members of the Building Committee are Donald Ambuehl, Raymond Bernard, Robert Geuther, Albert Janner, Melvin Moutrey, Robert Niemann, and Walter Welsch.

The property on which the church will be built consists of 21 acres purchased in 1955. A parsonage was built there in 1959. A wooded grove on the property is used for picnics and outdoor services.

Immanuel congregation

was organized by fifteen families on Nov. 4, 1850. The first church was built in 1850 and replaced by a second church in 1877. The present church was dedicated on March 19, 1916.

Will Explain

Nov. 3 Ballots

The Mokena PTA is sponsoring a program which should be of vital interest to every citizen in this election year. Its October meeting to be held on Tuesday, Oct. 27 at the Willow Crest school will feature an address by Mrs. Howard Harshbarger of Plainfield, the legislative chairman for the Eastern Area Council of the PTA. Mrs. Harshbarger will give a non-partisan informative talk on the various ballots facing Illinois voters this November.

Judging from an informal survey taken by the PTA executive board a great many voters are lacking in knowledge of the important state election issues. The PTA invites all interested area residents to attend this special legislative meeting.

Refreshments will be served by the eighth grade room mothers who are: Mrs. John Sellers, Mrs. Walter Niedringhaus, Mrs. Kenneth Corneils and Mrs. Joseph Lyons.

Mokena Fire Dept. Aux. To Have Dance Saturday

The "Hard Times" dance, sponsored by the Mokena Community Volunteer Fire Department women's auxiliary, will be held Saturday, Oct. 24 at the VFW hall on Wolf road.

Andy Hulina's orchestra of Joliet will provide the music from 9 p.m. until 1 a.m.

Tickets will be on sale at \$1 per person at the door, and it has been reported by Phyllis Koerner that 350 tickets have already been sold.

Cordie Bochmann, chairman of the food committee announces that hot sandwiches, chips, coffee and cake will be sold.

Members of the various

committees are: Phyllis Koerner, general chairman, assisted by Georgia Bernard and Carol Rauch, Donna Buschel, publicity chairman, assisted by Harriett Newton and Beverly Haas; Cordie Bochmann, food chairman, assisted by Phyllis Rust, Eleanor Haehlein and Marjiam Clark; Carol Craigmile, Donna Mangum and Ada Hoogstra, clean-up committee; Pearl Medema, printing.

Casual clothing or hard times costumes will be appropriate attire for this dance.

"Please, support your local fire department - they never say 'no' to you", is the plea of the chairman.

HAROLD SMITH (right) assessor of Frankfort township and a candidate for county auditor in the Nov. 3 election, was the speaker at the regular meeting of the Mokena Chamber of Commerce. He explained the functions of the office of assessor. He agreed that personal property taxes are unpopular but pointed out there are only four states that do not impose them in some form. Most states with personal property taxes, he added, also impose sales and income taxes as well. Illinois does not have an income tax although there are some people who favor imposition of an additional tax, it was brought out. At the left is John Langland, president of the Mokena Chamber and in the center is Charles Swanberg, mayor.

Chuck Percy tells about the "New Illinois" —An Illinois you can be proud of.

A new Illinois where crime and corruption are dealt with as they should be . . . not as they have been.

In June, Chuck Percy led the fight to eliminate the West Side Bloc from its positions of power in the Republican Party. His opponent took no action against the West Side Bloc members in his party.

The next step is to get effective anti-crime legislation that will arm the forces of law and decency and smash the vicious brutality of organized crime in Illinois, which has the fourth highest crime rate per 100,000 population among the 50 states.

Chuck Percy has pledged to pass laws making syndicate gambling a felony. This will cut off a main source of syndicate income and throw these mobsters in jail.

He will use the powers available right now to deal with corruption in and out of government wherever it is found . . . in the new Illinois.

A new Illinois where every vote is counted and every voter counts.

We must have election reform laws which will eliminate once and for all the voting scandals we have had in Cook County. These laws will:

- Curb abuses of voter assistance and instruction.
- Insure that election judges in every precinct are representative of the party they are supposed to represent.
- Establish County Election Commissions with employees who are not subject to political pressure.

A new Illinois -- with more and better jobs for its people.

For the first three years under the present Governor, Illinois ran 34% behind the rest of the country in new jobs. In the next four years we've got to have 400,000 new jobs to provide sufficient opportunity for you and every citizen.

As Governor, Chuck Percy has pledged to take direct immediate action to develop the new industry we so desperately need, establishing first an Illinois Department of Economic Activity (IDEA) to work hand in hand with local business and industry.

Secondly, with Percy as Governor, calling on firms across the country to convince them to build new plants — bring new jobs — to a new Illinois, we'd have the best salesman the State of Illinois has ever had.

We back Percy's proposal for the establishment of a privately owned corporation to provide needed capital for Illinois business not available from usual financial sources.

As Clarence B. Randall, former chairman of Board of Inland Steel Company, has said, "Charles H. Percy has demonstrated beyond a doubt his ability to develop new industrial growth in Illinois and the record of his company in recent years provides indisputable proof." Look at the record. Between 1949 and 1963, while Percy was chief executive officer, Bell & Howell employment in Illinois rose from 1700 to almost 4000, sales increased from \$13 million to \$66,000,000 and manufacturing space in Illinois doubled.

Chuck Percy's program for a "New Illinois" has been presented to you by these leading Illinois citizens . . . citizens, like you, who want a new Illinois, and a Governor they can be proud of.

A new Illinois -- where aid to education is supported, not vetoed.

The present crisis in Illinois education was caused by the present Governor, who vetoed the 1963 bill to raise the level of state aid to the public schools, despite the fact that it passed in the legislature by overwhelming bipartisan majorities.

Now local property taxes will have to be raised and even so the schools will not have enough money to maintain present programs.

This Governor is the first in 30 years to fail to increase the State's contribution to the schools. Chuck Percy has pledged to raise the level of state aid to the public schools.

He favors expansion of four year and junior colleges so that thousands of qualified students will not have the door of opportunity slammed shut in their faces, as it was this year.

He favors a constitutional amendment to provide for a State Board of Education and an appointive State Superintendent of Public Instruction to take education out of politics.

The Illinois Education Association condemned the Governor for vetoing the school bill, saying that he gives public education "a position of last priority."

In the new Illinois . . . education must become the number one priority.

A new Illinois - with taxes going for more - not more going for taxes

Since he's been in office, the present Governor has raised the State Sales Tax 16%, raised the State budget 33%. 14,000 new employees have been added to the State payroll — many of them totally unnecessary.

In the new Illinois, we're going to have better management, not higher taxes. Chuck Percy is opposed to a state income tax. He is opposed to any increase in the sales tax rate. He favors a ceiling on property taxes.

In Illinois under the present Governor, public aid rolls have increased to 429,000 people. A minimum of \$50 million a year could be saved by moving people off welfare rolls and on to pay-rolls by intensifying our efforts to educate and train those people on public aid who are capable of being rehabilitated.

In the new Illinois, Chuck Percy has pledged that you will get more for your money.

A new Illinois . . . with men in charge you can be proud of.

The people of Illinois are tired of the same old politics as usual, the same old tolerance of mediocrity and corruption, the same old record of bossism politics.

We'll have men of integrity and principle at all levels of State government, men who'll bring new standards of excellence to the tasks of government.

We're going to take the State Government away from the machine politicians and return it to the people.

Of course the machine that's used to running things from Chicago's City Hall aren't going to like it that way.

But that's the way it's got to be . . . in the new Illinois.

ON NOVEMBER 3rd VOTE FOR CHARLES H. PERCY, THE DYNAMIC REPUBLICAN

Rickenbacker Will Address Republicans Step Up Annual Meeting Of The IAA Pace In Vote Quest

Capt. Eddie Rickenbacker (Retired), United States Air Force hero of World Wars I and II, will be featured speaker at the 50th annual meeting of the Illinois Agricultural Association at the Sherman House in Chicago Nov. 16-19.

The meeting, expected to attract several thousand farm family members from 99 Illinois county Farm Bureaus, will include the adoption of policies for the statewide Farm Bureau, election of officers, meetings and conferences of various co-operatives affiliated with the IAA, and meetings for Farm

Bureau Women and Young People.

Rickenbacker, former board chairman of Eastern Air Lines, will address a convention general assembly the night of Wednesday, Nov. 18.

This year's IAA convention will open with two separate conferences--concerning marketing and natural resources. The natural resources conference, a new phase of the annual meeting, will include discussions on topics such as the Illinois water situation, watershed protection and flood prevention, and coun-

ty or regional planning or zoning.

First-day activities will also include the annual recognition program for individuals and county Farm Bureaus that have excelled in a variety of fields and the state finals of the Illinois Farm Bureau Young People's Talent Find contest.

Annual meetings and conferences of the various IAA affiliated companies will be held on Tuesday and Wednesday, Nov. 17-18.

IAA activities will include the election of officers and nine directors.

Two-year terms expire this year for IAA directors from even-numbered districts. They are: R. E. Lamoreux, Lanark, District 2; John K. Freebairn, Utica, District 4; Guy K. Gee, Forrest, District 6; Roger Carr, Avon, District 8; Boyce Moore, Jacksonville, District 10; Merle Jeffers, Catlin, District 12; Kenneth W. Klarman, Shumway, District 14; Carl E. Guebert, Red Bud, District 16; and William Sauer, Murphysboro, District 18.

One-year terms expire for William J. Kuhfuss, Mackinaw, president, and Harold E. Hartley, Centralia, vice president.

With the 1964 annual meeting, the IAA will mark the beginning of its 50th year.

Republicans are stepping up the pace in the quest for votes in Will county.

Next Wednesday, Oct. 28, they are holding a \$50 a plate fund raising dinner in Joliet at which Phyllis Schlafly, author of "A Choice, Not An Echo," and other works, is to be the principal speaker. A caravan of county candidates is to take off tomorrow.

A staunch supporter of Barry Goldwater, Mrs. Schlafly's speech at Joliet is titled, "Better Ready Than Dead." The dinner is scheduled for 6:30 o'clock at D'Amico's 214. Tickets for the affair are now on sale, according to Thomas Feehan, chairman of the Will county Republican central committee.

Mrs. Schlafly, who resides at Alton, Ill., is president of the Illinois Federation of Republican Women. She is a Phi Beta Kappa with a master's degree in political science and has been elected delegate to three Republican national conventions.

She has conducted the weekly radio program called, "America, Wake Up," for the past two years. Mrs. Schlafly was the only woman invited by the Senate Foreign Relations committee in 1963 to testify regarding the nuclear test ban treaty.

Her book, "A Choice, Not An Echo," was considered

a major factor in Senator Goldwater attaining the presidential nomination. Her newest book is the "Gravediggers." Her message, Feehan said, is an appeal to independents and Democrats as well as Republicans.

The GOP caravan that is to get underway tomorrow (Oct. 23) is sponsored by the Will County Young Republicans so the voters may meet the party's candidates, called "The Better Team."

"The Better Team" members traveling with the caravan will be James W. Barr, for appellate judge; Michael A. Orenic, for circuit judge; Robert E. Higgins, for associate judge; George M. O'Brien, for state's attorney; Louis F. Bottino, for clerk of the circuit court; Robert L. Spreitzer, for recorder of deeds; Harold A. Smith, for county auditor; Willard G. Blood, for coroner; Meade Baltz and W. Robert Blair, for state representatives.

On Saturday, Oct. 24 the caravan will be at Plainfield at 9 a.m.; Hampton Park at 9:45; Colonial Village at 11:00; Lockport at 11:45; New Lenox, 2:30; Frankfort, 3:15; Sauk Trail area of Park Forest at 4 p.m. and Mokena at 6:15.

On Oct. 31 the caravan will again take the road traveling in the eastern and southern sections, including Green Garden at 4:45 p.m.

State, district and county candidates are also invited to

L-W Invites Public To Use Its Library

Every Tuesday night the new Lincoln-Way high school library is open to the public from 6:30 to 9:30 p.m. The board of education has been anxious for more people to utilize the school's facilities adult education courses and the new ultra-modern library.

As a part of the recently completed new addition, the library more than doubled the student seating capacity as well as providing adequate space for the books and periodicals. Over 6,000 books along with 137 periodicals are available for student use. Sixty-four new individual carrels (a word used by library people for tables with dividers or boxes) give the students the private and individualized areas for work while other separate areas provide room for entire classes. One large room is divided into two sections where the history social studies and the Science-Math students have their respective instructional materials located.

Smaller rooms were designed adjacent to the main reading rooms for small student groups, faculty, professional reading, periodicals, and the featured Lincoln Library. Many of the old and recent books on Lincoln are being collected and placed

in this special room. Most of these Lincoln books have been left to the school as memorial gifts.

Supt. Chapman mentioned that the new library and its facilities were designed with the actual needs of the students in mind. He said that L-W feels students should have many more opportunities for independent study and to remove the many barriers so prevalent in our secondary high schools of today. Adults, high school and junior high school students are invited every Tuesday night.

ON 2nd THOT

By Glenn Logan

Jefferson P. Throttlebottom, one of the truly greats among the free-loaders, came briskly into the office. He divested himself of his topcoat and helped himself to the cigars and the only comfortable chair in one smooth movement.

He stretched out his legs and fired up a cigar.

"M-m-m," he said, "it feels good just to sit."

"You have been working?" I asked, somewhat startled.

"No," he answered, "it's just that I am being constantly hurried and I am getting pretty tired of the rush propaganda to which we are subject from the cradle to the grave."

"Yes sir," he went on, puffing the cigar, "I am pretty tired of being told to hurry. There was a time when the only time you were admonished to 'Hurry -- Hurry -- Hurry' was at a carnival, by the barkers selling tickets for the various shows. Now everyone is getting into the act. Ever notice how most of the slogans one encounters deal with speed?"

" 'Do it now,' we are directed. We are not only advised to not wait but to do it quicker than that -- don't hesitate, we are told."

"And this applies to everything," Jeff rumbled on. "Want a home? Want to buy an automobile? Do you have money to invest? Want to borrow some cash? Well, sign here or just phone. Rush, rush, rush! I am getting fed up."

"And the pitchmen on TV just won't leave you alone."

"It has reached the point where a person can't even take his time about going to sleep."

" 'Don't toss and turn,' we are ordered via TV, radio, newspapers and magazines."

"Maybe some of us like to toss and turn and sleep all the better for having had a little exercise but what is one to do. If you don't rush out and buy the sleeping pill or the tranquilizer recommended you are not going to get any peace. Those spielers just won't take no for an answer. They just nag, nag, nag until finally you say, 'Oh, all right,' and go out and buy the pills. Fortunately you don't have to take them. Usually the fact that you have bought them is sufficient because you have that peddler off your back but there are still the others."

"Honestly, tho, the propaganda that has been loosed on the world to keep us revved up is a fearful thing. THE Y -- those are the people or agents who apparently are in control of the laws, regulations and customs under which we live -- seem obsessed with the idea that if things are done earlier and faster it will be better for us."

"Why this should be so is not clear to me because if we hurry and finish a task what are we going to do then? Sit and fold our hands? Why not stretch it out a bit,

the past couple of years of the department's efficiency and speed-up thanks to automation and skilled planning. I only hope this efficiency tapers off before we reach the point where it will be so efficient that we won't get any deliveries at all.

"Last year a friend of mine heeded the admonition to apply for his auto license early. He applied in October, like they are asking you to do now. Any kind of a number would suit him, he said in his application; he didn't want numerals to match his phone, house or Irish Sweepstakes ticket number. Any old number would do. He finally got the plates in February, just before state police started out to arrest people for not having new licenses."

"Personally," Jeff wound up, "I am going to try to cut the throttle down a bit. We rush so at life now that we fail to take time to enjoy the leisure moments we allow ourselves."

"I remember that in my copybook maxims there used to be one to the effect that 'haste makes waste,' but it seems to have gotten lost or out of style and I think we would do well to revive it."

"Well, I see by the clock on the wall that I'm running a little late and will have to hurry if I get back in time to catch the beginning of a serial program that I have been following for the past four years. It really is a good one -- 'Sixty Seconds to Live.' So long, son."

certain key issues'."

Gus Hall, the leader of the Communist Party U.S.A., has issued directives which called for the defeat of Barry Goldwater. Walter Reuther (The Stalinist), a founder of ADA, has been attempting to scare union members into voting for LBJ and Humphrey. Norman Thomas, the Socialist leader, has endorsed LBJ and Hubert and states that the election of Goldwater will be detrimental to the advance of socialism.

How will you vote on November 3rd? Do you think that a slate should be elected which is receiving support from every anti-American Group in this country and the Kremlin? If you are interested in the future of THE UNITED STATES, the future of your children and that of yourself, you can vote for none other than Barry Goldwater.

Letters To The Editor

FOR GOLDWATER
Dear Sir:

On several occasions, the communist conspirators have expressed their views of the 1964 election as a battle between communists and anti-communists. It was put very clear in an article by George Morris (Labor Editor of The Worker) in The Worker of Sept. 6, 1964. He said:

"Partisanship can only weaken the campaign of the people's forces. It is only on the ballot that the choice is put as Republican vs. Democrats. But in actual life the issue has become ultra-Right reaction vs. the program of the people's coalition. Of course, the ultra-Right reaction is the anti-communist side and the people's coalition is the communist side, including millions who are duped by the Red line of thinking on

Halloween is the season for pumpkins and menacing witches on brooms. However, there's one witch at Halloween time that is not menacing at all. It's witch-hazel, the shrub that grows in shady landscapes from Florida to Canada.

The name witch is said to mean weak in reference to its bending, craggy habit of growth. It may also refer to the use of its branches as divining rods. The hazel part of the name alludes to the seed pod which vaguely resembles a hazel nut.

In keeping with the Halloween season, the cut branch-

es of witch-hazel exhibit both a trick and a treat. The trick is its novel ability to explode its ripe capsules. The two shiny black seeds are expelled for twenty or thirty feet. Recognizing this ability, the pioneers also called the shrub the snapping hazelnut. For the "treat" they recognized the medicinal value of the shrub. An extract of water made from the twigs and branches is useful even today for irritations and bruises. In addition to its medicinal use, the present day "treat" is found in its profusion of yellow bloom during fall. In fact, the native witch-hazel ends the season of bloom in the shrub border.

We Endorse Chuck Percy

Illinois voters have an easy choice when it comes to governor.

Charles H. Percy, who heads the Republican ticket in the state this year is the outstanding choice for the office.

His success in the primary was the result of a hard campaign, directed by himself, and he is under no obligation to any faction, machine, or group.

He does not have to obey the dictates of Mayor Daley of Chicago.

His only obligation is to serve all of the people of the state and deal justly and equitably with the problems that are within his province.

While well blessed materially now, Chuck Percy was not born with a silver spoon in his mouth. In the Depression his family was on relief but they worked at any jobs they could get until they were independent again. Chuck himself financed his education by working at part-time jobs. After his graduation from the University of Chicago in 1941 he served in the U.S. Navy thru World War II.

His talents as an organizer and business man earned him the place of president of Bell & Howell Co. at 29. In 1961 he became chairman of the board and under his management the company has enjoyed great growth and prosperity.

As he has done in business so has he done in the political field--he began at the bottom and worked up. Percy began his political career as a precinct worker in Wilmette. That was in 1945. In 1955 he was elected president of the United Republican Fund of Illinois, and four years later was appointed by then President Eisenhower as chairman of the Republican Committee on Program and Progress,

and soon after was selected as chairman of the Republican party's platform committee in 1960.

Percy also was founder and chairman of "Operation Watchdog" of the Better Government Association, a citizens group that helped save Illinois taxpayers millions of dollars.

A dynamic personality, Percy offers action and leadership to his party and the people of Illinois.

"We need better management--not higher taxes," declares Percy, and proposes to give it, pledging more effective use of tax dollars and opposition to increasing tax rates or instituting new taxes which would stifle initiative and enterprise.

"We need more jobs, not more welfare," he says, pointing out that only thru expanded job opportunity and job retraining can we help people get off relief rolls and on payrolls.

As governor, he declared, he would act to help develop new industry in Illinois, the new jobs necessary, and as a businessman he knows how to go about getting these jobs.

Percy is a forthright, courageous man, well qualified and capable of coping with the problems of government.

On Nov. 3 the opportunity to decide the future of Illinois lies in the hands of the voters. They have the choice of four more years of failure or four exciting years of dynamic leadership.

As voters you have the opportunity and the power to take control of state government away from "The Machine," and return it to the people.

Having confidence in the ability and honesty of Chuck Percy we take this opportunity to endorse his candidacy for governor of Illinois.

A Time To Choose--

There appears to be an increasing awareness that material prosperity is not the end-all of existence.

The increasing emphasis on material well-being seems to be made at the expense of those moral values and basic principles that form the foundation of the United States.

Armed violence; riots, seemingly "for kicks"; increasing evidence of corruption and venality in government; all form an alarming counterpoint to the more - money - for - less - work philosophy that the liberals in government are emphasizing.

In spite of the continual flow of promises from Washington; the constant assurance that there is no cause for worry, no reason

for alarm, an undercurrent of unease can be felt. It is becoming more and more apparent that one cannot surrender more and more to a centralized government and still remain his own man.

It would appear, then, that the American people are facing a clear-cut issue -- a mess of pottage, served with soothing syrup, or an opportunity to regain the ideals and values that founded this country. The alternative to the present state of affairs is not, as some liberals maintain, a retreat from reality. On the contrary, it is an awareness of what must be done to face the future as free Americans, not wards of a paternalistic state.

It is for this late color that the witch-hazel is useful in the landscape. Fortunately, this interesting shrub will endure city conditions, is adapted to a wide range of soil conditions, and blooms in the shade. But even with this long list of qualifications it does not easily transplant from the wild. The extensive wild root systems are not able to quickly regenerate themselves after

transplanting. Nursery grown plants, however, are root pruned to develop compact root systems that transplant readily.

Although our native witch-hazel is as American as a coonskin cap, it has several foreign cousins. The Chinese witch-hazel has woolly-hairy leaves and large yellow flowers that open any time between January and March, depending on the weather. The Japanese

witch-hazel blooms from January to April. The ultimate height of these witch-hazels is ten to twelve feet. However, the vernal witch-hazel only reaches six feet.

Whether you plant the witch-hazels for their fall bloom, their winter bloom, or as a reminder of their value to the pioneers, you find them an interesting and novel addition to your landscape.

September Superpool Milk Price Highest Since Fall Of 1961

Aided by sharp increases in fluid milk sales and manufacturing milk prices plus an assist from superpool reserve paybacks, the September milk price to be paid Chicago market producers on 70 percent of their deliveries was \$3.86 per cwt.—the highest superpool price since November 1961.

The \$3.86 includes a 13-cent superpool premium.

This was reported today by W. H. Cope, director of marketing for Pure Milk Association, who also announced that, on the remaining 30 percent of their deliveries, Chicago market dairy farmers will receive not less than \$3.73 per cwt.

These prices compare with August prices of \$3.79 per cwt. on 70 percent of deliveries and \$3.64 on the other 30 percent.

The prices are for milk of 3.5 percent butterfat test delivered to plants within the 55-to 70-mile zone, based on mileage from City Hall, Chicago.

Other superpool premiums include 5 cents per cwt. on total deliveries from dairy farmers located within 70 miles of Chicago, plus a graduated premium of 3 to 10 cents per cwt. on all milk delivered by farmers, regardless of location, who deliver to plants which ship from more than 5 percent to over 40 percent of their milk to market.

Increased consumption in the Chicago market and demands from drought-stricken areas of the Atlantic and Gulf states combined to boost the September Class I sales to nearly 210 million pounds, or 22 million pounds over August. In addition, Chicago market producers benefited from a 9-cent increase in the Class III (manufacturing milk) price. This added about 4 cents to producer prices for September.

The "Louisville Plan" superpool payback added another \$350,000 to September milk checks for Chicago market dairy farmers.

The superpool additions are premiums paid by handlers on Class I milk (milk used for bottling) and on the fluid portion of Class II milk.

September deliveries under Chicago Order 30 totaled 419,093,505 pounds. Approximately 65 percent of

producer milk in September was used for Class I and Class II purposes, compared with 59 percent in August, this year.

Class I and Class II sales this September showed gains of over 17 million pounds above September 1963. Well over a third of that increase resulted from a greater need for milk supplies in areas outside the Chicago market.

Behnke Studio To Have Grand Opening Sunday

A grand opening celebration will be held Sunday Oct. 25 for 4 pm. to 9 pm. at the new location of Behnke Studios, 7800 W. Lincoln Highway (U.S. 30) Frankfort. Refreshments will be served. A number of lovely gifts will be presented.

Dr. Preston Bradley, noted author, civic leader and pastor of The Peoples church of Chicago, will be one of the honored guests of the day. Hosts will be Mr. and Mrs. Albert J. Behnke. Assisting will be Janet Costabile Gertis, this year's Queen of the State Street Columbus Day parade, and Kay Crouse -- 1964 Queen of the Harvest Festival of Tinley Park.

The new location has over 2,000 square feet of floor space -- including a large reception and office area, two large shooting rooms for more personalized service (portrait and commercial) private dressing room, stock and warehouse room, darkroom and film area.

The studio had previously been located in Arbury Hills.

Mr. Behnke has studied at the Art Institute of Chicago, Ray Vogue Schools, Chicago and is a graduate of the Winona School of Photography, Winona Lake, Ind. He has also worked under a master. He is a member of the Professional Photographers of America, Illinois Associated Photographers and the Photographers Association of Northern Illinois. He has been an active member in many civic affairs.

This year Mr. Behnke was awarded the coveted Edward Fox Memorial Award for the most outstanding portrait of the year in the state of Illinois. He also holds the trophy for the 1964 President's Sweepstakes. This past August his portrait of Carl Sandburg was nationally acclaimed when it was accepted in the loan collection of the Professional Photographers of America. 65', and will travel the continents, thereafter.

A display of his most outstanding portraits will be shown in the inner studios -- Carl Sandburg - poet, Dr. Preston Bradley - pastor, Rabbi Louis Mann, John Kriza - dancer, Boris Anisfeld - artist Victor Failla - labor leader, and many more. The public is cordially invited to attend.

NEW STUDIO of Al Behnke, photographer, located on U.S. 30, Lincoln Estates. He is having a grand opening Sunday from 4 to 9 p.m. to which the public is invited.

Miscellaneous Shower Given Bride-To-Be

Mrs. Joe Machtemes, Hillside road, Lincoln Estates, entertained at a surprise miscellaneous shower in honor of her niece, Miss Kathleen Zum Mallen, River road, Lincoln Estates on Sunday, Oct. 11.

There were forty guests present, including her two grandmothers, Mrs. Fred Zum Mallen of Homewood and Mrs. Sylvester Tyler.

Miss Zum Mallen was presented with a corsage of white carnations and yellow rose buds. Decorations were in the brides chosen colors of yellow and white. Games were played and duplicate prizes presented to the bride.

After the bride-to-be opened her many lovely gifts a buffet lunch was served.

Miss Zum Mallen will become the bride of Daniel Grant of Oak Lawn, Nov. 7 at the St. John Lutheran church at Country Club Hills. Rev. Henry Meyer will officiate at the ceremony.

Saturday, Oct. 17 started out as a typical day at a forest camp site for Cadette Scout troop 97. Only water was available and the rest was up to the girl scouts.

The colors were glorious at Pokanoka, and after a lunch of sloppy joes and soup they all headed for the Illinois River, approximately 3 miles away.

After wading in the cool water they were greeted by a huge houseboat. It moored nearby and the girls visited a while.

The acting cook aboard, Glen Farthing of Streator, made Mrs. Robert Best, scout leader and Mrs. Ralph Snow, co-leader, a welcome cup of coffee. Scouts and leaders were invited to go aboard for a short cruise.

Susan Schutte, Janet Wagner, Jackie Snow, Nancy Jo Edwards, Jan Fant, Gayle O'Connor, Joyce Wilson, Peter and Bobby Best boarded the houseboat and were taken on a memorable 45 minute cruise to the Mar-seille locks.

The pilot was Jack Spector and the captain was Dale Walker, builder and designer of the houseboat. The girls and boys were treated to cokes and chips, compliments of the hosts.

The hike back to camp was exhilarated by memories. They broke up camp quickly and headed for home.

Discussion Of Colleges

Set Oct. 27

Approximately 30 colleges and universities will be represented at the eighth annual college night program at Lincoln-Way, Oct. 27 at 8:30 o'clock.

Students and parents will have an opportunity to visit with representatives from a number of colleges during the browsing period.

Afterward, there will be three conference periods 30 minutes in length. Students and parents will visit with those from the college they are particularly interested in during the conference periods.

College representatives will distribute various types of literature about their respective institutions, answer questions about housing, admissions, scholarships, etc.

A large turn out is expected since this has proven to be one of the more popular activities at Lincoln-Way during the year, according to those in charge.

It's fun to spend money

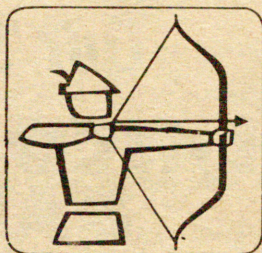

Everyone likes to spend money. And these days we have more wonderful things to spend money on than ever before.

But spending is most fun when you're buying with money that's already yours. Money actually in your possession—or in your savings account.

Yes—it's lots of fun spending money! And it's fun to *save*, too—knowing that in future you *can* spend when you're in the mood to do so.

You'll like saving at Archer-Hoyne—either by mail or in person. It's simple . . . it's safe . . . and you share in association earnings twice each year. Best of all, the money is *yours* when you want to take the family on a spending spree!

County And Judicial Candidates Seek Election Nov. 3

There are five county offices in Will County to be filled in the November election--state's attorney, clerk of the circuit Court, recorder of deeds, auditor and coroner.

On the same ballot are candidates for circuit judge and associate judge. While these are not county officers the men seeking the posts are all Will county residents.

Of the six candidates seeking the three places on the appellate bench of the third district is one Will county man, James W. Barr.

In listing the above candidates neither pictures nor sketches were available at the Democrats Party headquarters.

For State's Attorney

GEORGE O'BRIEN

George M. O'Brien, Republican, Joliet has been practicing law 17 years and has tried cases at all levels in the state and federal court system of Illinois. President of Will County Bar Association in 1963 and now on its board of directors; member of committee on fitness and character, Illinois State Bar Association.

GEORGE SANGMEISTER

George E. Sangmeister, Democrat, of Mokena; he was elected a justice of the peace three years ago and is now sitting as a magistrate in the Mokena branch of the circuit court since the judicial reform act became effective last January. Is a director of the Frankfort State bank.

Circuit Clerk

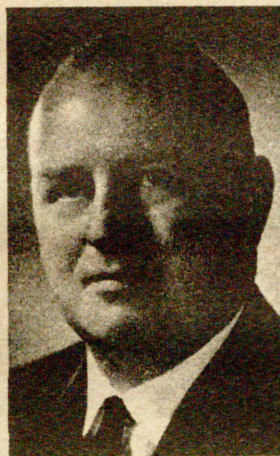

LOUIS BOTTINO

Louis F. Bottino, Republican, Lockport, Will county superintendent of schools for 13 years; served two terms in the state legislature; recipient of Good Government and Distinguished Citizen Award from the Joliet Junior

Chamber of Commerce.

Sammy Berk, Democrat, a Joliet merchant and an assistant supervisor from Joliet township.

Recorder of Deeds

ROBERT SPREITZER

Robert L. Spreitzer, Republican, Joliet, incumbent, running on his record. Has returned more than half a million dollars to the taxpayers thru earnings of his office.

Eugene K. Haller, Democrat, Lockport, elected a justice of the peace three years ago; sells insurance.

County Auditor

HAROLD SMITH

Harold A. Smith, Republican, Frankfort, has 28 years of accounting and auditing experience and has operated his own firm for the past 10 years. Has served as assessor of Frankfort township for the past seven years.

Stanley B. Waznis, Democrat, Joliet, an assistant supervisor from Joliet township; is a bookkeeper.

County Coroner

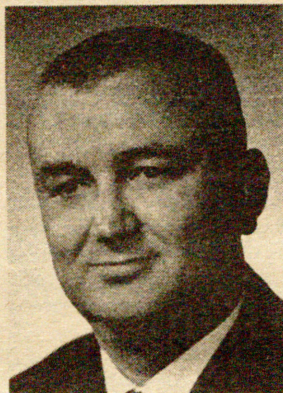

WILLARD BLOOD

Willard G. Blood, Republican, Joliet, incumbent, running on his record and experience, operating office in close cooperation with all law enforcing agencies at a minimum of cost. A licensed mortician since 1929. Commissioned in the Medical Service Corps in WW II.

Arthur E. O'Neil, Democrat, Joliet, a member of the county board as an assistant supervisor from Joliet

township and is a painter-decorator employed by the state.

Circuit Judge

MICHAEL ORENIC

Michael A. Orenic, Republican, Joliet, an assistant state's attorney since 1957, is now in charge of criminal complaints and warrants for the entire county area.

John F. Cirricione, Democrat, Joliet, a member of the law firm of Cirricione and Penn.

Assoc. Circuit Judge

ROBERT HIGGINS

Robert E. Higgins, Republican, Joliet, native of county, educated in public and parochial schools; graduated from Loyola law school in 1931 and has practiced law since then; has been serving as a special assistant state's attorney.

ANGELO PISTILLI

Angelo F. Pistilli, Democrat, Rockdale, 15 years a lawyer. He is a school board member, a teacher and a psychologist for the Illinois Youth Commission. He was an unsuccessful candidate for county judge two years ago.

Appellate Judge

(3rd Dist. 3 to be elected)

JAMES BARR

James W. Barr, Republican, Joliet, now serving as a circuit judge. Has more than 30 years practice in all

state courts in Illinois; civic leader.

A. J. SCHIENEMAN

August J. Scheineman, Republican, Sterling; a circuit judge since 1939 and since 1948 has served on the appellate bench by order of the state supreme court.

ROBERT BURHANS

Robert L. Burhans, Republican, Peoria, member of the state legislature since 1948; chairman house committee on judicial reform; chairman Illinois Judicial Advisory Council.

JAY ALLOY

Jay J. Alloy, Democrat, Peoria, who was graduated from law school in 1930 and for most of that period has served as assistant to an appellate court judge. Has practiced in state and federal courts.

JOHN CORYN

John R. Coryn, Democrat, Rock Island, graduate of Notre Dame university and Notre Dame law school; city attorney of Moline 1957 to 1961 and an assistant state's attorney, 1955-56. Since 1961 he has been an assistant attorney general.

Green Ballot To Retain Four Judges

Least understood of the four ballots that will be handed to the voters in the November third election is the green ballot which provides for the retention of four judges.

The four judicial candidates are Supreme Court Justice Joseph E. Daily, and Circuit Judges James V. Bartley, Victor N. Cardosi and David E. Oram. Justice Daily is a candidate in 21 counties, while Judges Bartley, Cardosi and Oram are seeking to retain their posts in the Twelfth Judicial Circuit, composed of Will, Kankakee and Iroquois counties.

Adding to the confusion of the ballot is the fact that the voter is asked to vote Yes or No in the square at the right of each name. Actually, the only votes to be counted will be those with an X in the square. Writing in yes or no will void the ballot. Since the judges are running on a non-partisan basis, the voter must vote on each candidate individually. There is no opposition to the presiding judges and no pro-

vision is made for a special election if they do not receive a majority of Yes votes. In that event, their successors would not be elected until the next general election in 1966. This would leave Will, Kankakee and Iroquois counties without judges for almost two years and in the case of Justice Daily would undoubtedly result in a Cook County judge replacing him on the Supreme Court bench.

All four judges have expressed confidence in being retained because of their records. However, they fear that a great many ballots will be discarded or spoiled in the confusion over the three and one-half foot orange ballot, the general ballot and the blue ballot. Three candidates are to be elected to the appellate court and their names will appear on the general ballot as well as those names of the candidates for the vacancy on the circuit bench, caused by the resignation of Judge James A. Barr, who is a candidate on the Republican ticket for Appellate Court Judge.

The changes in the balloting were necessitated by the new judicial article, designed to remove the present judges from the field of politics.

Queries On House At-Large Election

Q. How many candidates will be on the at-large election ballot Nov. 3?

A. Each of the two major political parties will have 118 candidates. A total of 236 candidates, therefore, will be on the at-large ballot.

Q. How many house members will be elected in the at-large election?

A. All 177 members of the Illinois House will be elected. Each of the 236 candidates will be running - not from different House districts but at-large statewide.

Q. How many votes will a voter have?

A. Each voter will have 177 votes.

Q. Must a voter use all votes to make his ballot valid?

A. No, a voter may vote for only one candidate or he may vote for any number up to 177 -- But, NO MORE than 177.

Q. What happens if a voter votes for more than 177-- say 178?

A. His ballot will be deemed invalid and not counted.

Q. Can a voter cast a straight party vote?

Appellate Judge

ALLAN STOUDER

Allan L. Stouder, Democrat, Kankakee, an associate judge of the Kankakee circuit court. Attended grade and high school at Gary and Indiana and Chicago universities. A lawyer since 1949. Is blind as a result of a chemical explosion in 1946.

Eagles Improve--Ready For Homecoming Battle--

Mustangs Keep Right On Winning; Blank L-W 28-0

BY NORM BEEBE

The Mustangs of Evergreen Park triumphed over the Knights of Lincoln-Way by a score of 28-0. This is the fifth straight victory for the Mustangs. They have a perfect 4-0 record in southwest suburban grid play and a 5-0 record in overall play. With this loss the Knights grid record in conference play stands 1-3, in overall play they are 1-4.

The Mustangs scored their first six pointer when an attempted punt by Howie Grimes was blocked and scored by Randy Muersck. The conversion attempt by Alexander was good. In the second quarter Muersck caught a long 34 yard pass and added another touchdown

to the Mustangs score. Alexanders attempt for the conversion was good. Once again Muersck added to the score by snatching a 26 yard pass for the Mustangs third touchdown. Again Alexander's conversion attempt was good. The Mustangs scored their last touchdown in the fourth quarter by a 14 yard pass to Cunningham. The conversion by Alexander was good.

The frosh - soph Knights battled the frosh-soph Mustangs to a 0-0 tie. Frank Flick, Doug Shreffler and Al Janeke were among the outstanding players for the Knights.

This Saturday the Knights will be host to Reavis.

CSHS Harriers Hope For Better Luck In Finals

BY TIM SEDGWICK

In cross-country the Carl Sandburg Eagles will trudge to conference and district this week hoping to finish their season on a higher note. Spirits dampened somewhat last week when one win and two losses brought the team record to 4-8.

In action last Saturday the harriers failed to bring home a trophy from the Tinley Park invitational. Tho the fresh-soph was loaded with the top two varsity runners, John Biddle and Ed Zeman, they only took 5th of the 14 teams competing.

At Tinley, Biddle finished best on the frosh-soph with eighth. Behind him was freshman Bill Reeves 9th, and Zeman 10th. Of the 91 runners competing on the varsity level Chuck Crowhurst headed the Eagles with 12th. Behind him came Tim Sedgwick 38th and Steve Raydon 44th.

The only victory for either team during the week was against Lincoln-Way. After

the frosh-soph edged by the Knights 27-28, the varsity took them 23-33. Against Bremen the frosh-sophs lost 20-43. The varsity were then trounced 19-38. Rich Central also dealt out double defeats, 24-35 to the frosh-sophs and 21-36 to the varsity.

Bright spots during the week were three first places by Bill Reeves in the dual meets to give him eight straight victories on the frosh-soph.

Also during last week John Biddle took two firsts on the varsity against Rich Central he ran 9:57 on Sandburg's 1.97 course for the best time this year for a Sandburg runner.

Runners placing for the varsity during the week included Biddle, Crowhurst, Zeman, Sedgwick, Raydon and Ted Messlein. For the frosh - soph those placing were Reeves, Dave Phillips, Jim Sheehan, John Pfeiffer and Bob Smith.

BY DOUG CONNELL

The Eagles of Carl Sandburg will enter homecoming game competition with the Oak Lawn Spartans Saturday ready to avenge last week's heartbreaking 9-6 loss to Homewood. The Vikings, undefeated in Southwest Suburban Conference play, will meet unbeaten Evergreen Park Saturday.

A touchdown on a fumble in the Eagle backfield, an extra point and a safety combined to beat the Eagles in a crucial game for both teams. A win for Sandburg would have given them a 2-2 record and a chance for the second place spot in the conference. A loss for H-F would have meant a serious setback in the race with Evergreen Park.

What started off to look like an upset for Sandburg ended up in disappointment as the Vikings came from behind to score twice in the second half. Viking end Gary Evans recovered a fumble in the Eagle backfield to race eight yards for an H-F touchdown early in the third quarter. The conversion game the Vikings a 7-6 lead.

Sandburg scored at 2:44 in the first period as Jim McGhee swept around end for a 17 yard tally. McGhee, who did a fine job on both offense and defense for the Eagles, went across once again in the second quarter, but the play was called back on a penalty.

The Eagles played a solid hard-hitting game all day, but the terrible pressure of the rugged Viking line began to tell its tale during the second half. The Eagles took the ball on their own 4-yard line with two minutes remaining in the game, only to be forced back into the endzone for a safety.

The Vikings remained in control for the remaining seconds to beat the Eagles 9-6.

All was not black, however, as most of the Sandburg unit did commendable jobs against the conference leaders. On offense, a sparkling performance by junior halfback Jim McGhee and the passing team of quarterback Garth Aronson and End Roland Roth outran and out passed the best that H-F could offer.

On defense, several

Eagles turned in commendable performances. Tony Molitor, McGhee, Wayne Cristopherson, Jesse Powell, Bill Karolich, Ed Burke and others combined to hold the Homewood offense to only 117 yards, as opposed to the 160 yards ground out by the Sandburg unit.

The sophomore Eagles, undefeated in conference play, rolled over the Vikes by a 13-0 margin. Touchdowns by Dick Henderson and Rudy Lavine and an extra point by Lavine were enough to down the little Vikings.

The sophs presently occupy the second place spot in the SWS conference with three wins and a tie. Sandburg will meet unbeaten Rich East Nov. 7 in the game that will probably decide the sophomore championship.

Game time at the Eagles' home field Saturday is 12:15 p.m. for the soph game and 2:00 p.m. for the varsity contest.

The freshmen Eagles, who met HF at home on Saturday morning, relied upon a 21-point margin to outlast the junior Vikings, 21-19. In a game which was both exciting and interesting, the little Eagles piled up 21 points with a hard driving offense which brought fans to their feet often.

Late in the game, the pint-sized Vikings began to mount a determined attack, which saw them come roaring back to score three touchdowns, but two missed extra points made the difference. The win brings the junior Eagles' record to 3-1 in conference play.

Next week the freshmen meet the Oak Lawn team there.

Stagg Frosh Gridders Meet Ev. Park Monday

Following two away-games, the Amos Alonzo Stagg Chargers met the freshmen from Lemont high school on the Carl Sandburg field last Tuesday. Next Monday, they travel to Evergreen Park for a game just added to their schedule.

On Oct. 8, the Chargers

fought to a 19-6 loss to Joliet West freshmen. The Stagmen scored midway thru the final period when Walter Brown picked up a fumble on the Joliet 25-yard line and crashed over for the score.

The following Tuesday the team went up against Marion Catholic who drubbed them 34-0. Although the score was lopsided, Mike Ramondi, Jim Culloton, and Chuck Brinkman turned in good performances in the losing cause.

At halftime, the score stood 14-0, but the Marion eleven penetrated the Charger pass defense for 20 points in the last half.

Coach Henry Meir is pleased to have scheduled the game with Evergreen Park on Monday, since it will help round out the team's schedule. Because the conference games are scheduled almost a year in advance, the Chargers have had to pick up games whenever they could. Game time is 4 p.m.

Saturday the young Chargers meet Wheaton North there in an 11 a.m. contest.

Burros Take On D.G. Team This Sunday

The Mokena Burros mid-gut football team will play host to the Downers Grove Moose, Sunday, Oct. 25 at 2 p.m. at Mokena park.

All parents are urged to attend and cheer the boys, your presence will make them play better.

Last Sunday the Burros ventured to Kankakee and played two games, splitting the team. The 75 lb. class games saw the Burros play well but a few defensive lapses gave the game to Kankakee, 14-0.

In the 100 lb. game it was a strong Kankakee team winning, 47-0. Kankakee had not lost a game in 3 years. The players had to go both on offense and defense and had to use a lot of courage.

Brian Knieram and Mike Popilek were outstanding in defeat. Ken Fortman proved his pulled leg muscle is healed. He was Mokena's big ground gainer.

With an eye to next season, the team is looking for interested parties from Arbury Hills and Frankfort. Those interested may call George Krueger 479-3571, for information about the team.

Local Breeder Wins Awards With Puppy

MRS. DELORES ANDERSON
Telephone: 485-3651

The Doberman Pinscher club of America held its annual convention, futurity and point show in Chicago this past week. Best futurity puppy was bred by Betty Brockman of Silent Sentry doberman kennels in New Lenox. This 11 month old male also placed 1st in puppy class, best puppy in show on Saturday as well as getting his 2nd leg in obedience. At Skokie on Sunday he again placed first in his class and was reserve winner dog.

Mrs. Brockman of 234 E. Francis road was given an award as breeder of this fine male.

The dog is now owned by Jimmy Ray of Tulsa, Okla.

The 1st home study group met Tuesday at the home of Mrs. T. L. Waugh. Mrs. Clifford Dutton was co-hostess, and John Graver of the Sherwood William paint company in Joliet was guest speaker. He talked on "Colors and Interior Decorating".

Starting this week, the Methodist church will have only one worship service each Sunday, at 11 a.m. The 9:30 service has been discontinued for the present time. Sunday school will convene at 9:30 as usual.

The Borger Brothers Circus will be at Oakview school on Saturday, Oct. 24 with two performances, one at 2:30 p.m. and another at 7:30 p.m. Tickets can be purchased from band members.

Following is a list of swimming dates for this winter, for members of Boy Scout troop 49, at the YMCA pool in Joliet. All are Saturday dates, from 7 to 8 p.m. on Nov. 7, Dec. 5, Jan. 9, Feb. 6, March 6 and April 3.

Junior Girl Scout troop 230 which meets at the New Lenox Methodist church, began its meetings for the year with a car trip to the Richards street Methodist church in Joliet to see a collection of art objects by local art-

ists. The girls enjoyed the trip as a preparatory venture for a trip to the Art Institute in Chicago which is being planned for the near future. At the troop meeting of Oct. 13, patrols were formed and Vicki Huttenhoff, Kathy Koller, Cindy Reinert, and Sharon Smith were elected patrol leaders.

Cub Scout Pack 6 will meet Friday, Oct. 23 at 7:30 p.m. at the Lions Den, for a Halloween masquerade party.

Prizes will be given for the best costume, and for the best carved pumpkin.

Anyone interested in joining the cub scouts are invited to attend. There will be a magic show as a part of the program, to be put on by the various dens, and refreshments will be served.

The Bluebirds 4-H club met Saturday afternoon at the Methodist church. Sherry Jencon, president, conducted the meeting, and Cindy Reiter and Lynn Jencon led in the pledges to the flags. Mothers of the girls were invited guests. Mesdames, Ward, Facinelli, Jencon, Hasselbring, Bokker, and Kestle were the attending mothers.

Plans were made for the coming pot luck and combined Halloween party which will be held Oct. 24 at 6:30 at Francis field. Members discussed the possibilities of having a Flower Arranger give a demonstration.

The leader, Mrs. Berens, gave a demonstration on measuring dry and liquid ingredients and shortening. Following another demonstration by Mrs. Neutzmann, refreshments were served by Cindy Reiter.

Six new members attended the meeting, Lisa Kurns, Cathy Keigher, Beverly Has-

elbring, Mary Ann Kestle, Debbie Hoover, Pamela Ward, and Kathy Johnson.

The girls enjoyed a hike in Pilcher park last week, under the guidance of Mrs. Neutzmann. The hike started at the statue of Mr. Pilcher, and proceeded in a northerly direction.

They enjoyed refreshments at the flowing well, served by Karen Zembruski, Judy Leonhart and Sherry Jencon.

Trinity Lutheran church will sponsor a rummage sale on Thursday, Oct. 29 from 9 a.m. to 6 p.m. at the church. Mrs. Roy Stellwagon is chairman in charge of the event, and Mrs. Joseph Cvelbar is co-chairman. Mrs. Robert Buckler and Mrs. Walter Steinbrenner are in charge of publicity.

Tri - Kena Girl scout neighborhood meeting will be held Nov. 5 at St. John's church in Mokena at 1 p.m. Mrs. William Helin of Joliet will demonstrate the making of her novel Xmas decorations.

The October meeting of the family study group will be held at the Trinity school on Thursday, Oct. 29 at 8 p.m.

The hospital committee of the auxiliary to Harry E. Anderson VFW Post 9545 will sponsor the "Witches Howl", a buffet supper and masquerade dance on the evening of Oct. 24 at the Lions Den on South Cedar road.

Mrs. Betty Paslaski is general chairman of the affair. She has asked the following Mesdames to aid her, JoAnn Dailey, publicity; Margaret Wheeler, tickets; Frances Osmus, entertainment; and Shirley Cruise as food chairman. Diane Shonkwiler will plan the decorations in a Halloween scheme.

Proceeds from the affair will be sent to the Dwight V. A. hospital. Tickets may be obtained for a donation of \$1.75 per person, from any

member at the door, or by calling 485-6151, or 485-6283.

Prizes will be given for the most original costumes, and food will be served from 8 p.m. on, with dancing from 9 to 12 midnight. Providing music for the affair are the Etons, a group that has been heard locally at various places including D'Amico's, the Pioneer and the Mist.

Boy Scout troop 49 will enjoy their annual Halloween party on Wednesday, Oct. 28 at the scout cabin. The party will be a masquerade-costume affair, and there will be fun and refreshments for all. Parents are invited.

The New Lenox Unit of Homemakers Extension will meet Oct. 23 at the home of Mrs. Frank Kluge, 312

Hillside road, New Lenox at 1 p.m.

Airman Third Class Richard J. Mackholz, son of Mr. and Mrs. Richard Harris of 327 Hickory road, has graduated from the technical training course for U. S. Air Force fire protection specialists at Greenville AFB, Miss.

The airman is a graduate of Lincoln-Way High School.

8-Card Of Thanks

CARD OF THANKS
We would like to express sincere
thanks to our many relatives,
friends & neighbors for their
expressions of sympathy during our
recent bereavement. A special
thanks to Rev. A. Riftenhauer, Mrs.
A. Karre, Miss Marie Meier, &
the ladies Aid of Christ Lutheran
Church of Orland Park.
The Louise Ebeling Family

CARD OF THANKS

I wish to thank all of our neighbors,
relatives, & friends for their
prayers, cards, & kindness shown
during my recent stay in the hospital.

Fred Drafke Sr.

CARD OF THANKS

We wish to extend our most sincere,
thank you, to the fire department,
our relatives, neighbors and friends,
and donors of cars, for all their
kind deeds, food-gifts of money,
and flowers. A special thank you
to Rev. & Mrs. Johnson for their
comforting words and deeds, during
the illness and death of our dear
Sister.

The Family of Elua S. Ohlson

CARD OF THANKS

I wish to thank the many wonderful
relatives & friends who remembered
me with Prayers, gifts, cards and
visiting during my long stay at St.
Joseph and Hines Hospitals and my
convalescing at home. Also a special
thanks to Rev. Father Gilewski for
his visits and Prayers for the many
other Priests and Nuns for their
prayers and solitude. I am deeply
grateful to all these fine people for
their kindness and thoughtfulness.

URE? You unearth a trunkful of

GUESSES—If the new fed-
eral budget winds up with a
bigger deficit than planned,
say Washington observers, it
will probably be due, in part,
to the fact that spending on
farm programs has bulged;
that the government could
not find buyers for as many
mortgages as it planned to
sell.

SAFEGUARD—An amend-
ment proposed by Rep. Wal-
ter Rogers (D., Tex.) that
would make it possible for
Congress to overturn some
Supreme Court acts by a two-
thirds vote is said to be gain-
ing favor among members of
both houses.

GROUND — The Gen-
eral Accounting Office reports
that many important train-
ing courses at the Aviation
School, Fort Rucker, Ala-
bama had to be cancelled or
curtailed because the U.S.
Army Aviation Command
failed to provide contractors
with the parts needed to
overhaul the engines of the
training planes.

SIMPLE? — Sen. Wallace
F. Bennett (R.—Utah) re-
ports that the President's
Committee on Consumer In-
terest had the Department of
Agriculture prepare tables
on simple interest. Distribu-
tion of 100,000 copies began,
he said, before it was dis-
covered they were wrong.

COUNTRYSIDE NEWS AND VIEWS

WILLIAM F. WHITESIDE
COOK COUNTY FARM
ADVISER
TINLEY PARK, ILL.

The corn harvest problem
is going to be with us for
some time, and only co-
operation and advance plan-
ning can help farmers and
elevator operators better
manage the problems that
develop each year at the peak
of corn harvest.

Corn yields will continue
to increase just as harvest
methods will continue to
speed up. With the old con-
ventional cornpickers, a-
round 800 to 1,000 bushels
could be picked each day. But
now some of these farmers
who have four-row picker-
combines can pick about
4,000 bushels a day.

It is not economically
possible for railroads to tool
up for this sudden push dur-
ing harvest season. Nor is
it economically possible for
the local elevators to carry
the full load.

The elevators must keep
up in providing improved
facilities for conditioning
and storing corn, but the
farmer also must help by in-
creasing his storage space
and making better use of it.

One important thing a far-
mer can do before harvest
is to contact his local ele-
vator operator, telling him
how much corn he will be
bringing in. He should ask
specifically what the ele-
vator will do when the box-
car shortage hits the area.

If the farmer agrees to
sell to the elevator, will the
elevator accept the corn or
refuse it when the pressure
is on? Last year some ele-
vators accepted the corn and
piled it on the ground when
elevator space ran out. On
the other hand some eleva-
tors felt they had to refuse
the corn, leaving many far-
mers stranded and unhappy.

By having a clear under-
standing now, the farmer
still has time to shop around
and arrange for temporary
storage before the boxcar
shortage occurs. Harvey P.
Myers, 1963 president of the
Managers club of the Far-
mers Grain Dealers asso-
ciation, believes that the
shortage may develop as
early as mid-October be-
cause of continued dry
weather. Now is the time to
plan to meet the problem.

If commercial storage is
not available within a rea-
sonable distance, a farmer
may arrange to use a neigh-
bor's extra bins. If that is
not possible, he may have to
plan for temporary on-the-
farm storage for at least a
month until the elevators are
back in full operation.

Corn for temporary stor-
age should be drier than nor-
mal if it is to keep. A Far-
mer may be able to hire an
elevator to dry his corn
for this temporary storage,
or he may provide a make-
shift fan-drying system in
barn or crib driveways.

At any rate, farmers and
elevator operators must co-
operate to manage the corn
harvest problems.

VOTE STRAIGHT (X) REPUBLICAN NOVEMBER 3

These outstanding Republican candidates offer complete contrast to the sorry record written in Will County by Democrats. Under Democrat control of the Tax-Assessment Office of Will County, assessments and taxes were raised to record-shattering high levels this year. To add insult to injury, Gov. Kerner's Department of Revenue (the one Mr. Isaacs used to head) rubber-stamped the higher rates of the Will County Democrat Assessment Official as O.K.

Democrats in Will County caused your taxes to go up -- both personal and real estate -- and another result of their complete disregard for the taxpayer is the fact that our schools, towns and other local governments have been forced to issue tax anticipation warrants, adding additional hundreds of thousands of dollars to your tax bills.

In less than two years of Democrat control of the Tax Office of Will County, costs have skyrocketed. And, tax monies formerly held in Will County banks have been transferred mysteriously into Chicago banks into non-interest bearing accounts. These accounts have remained in Cook County, while Will County banks received only temporary deposits.

It's time to return Will County Government to ALL the People.
